

43RD GERMAN CONFERENCE ON ARTIFICIAL INTELLIGENCE

KI2020 takes place in Bamberg, Germany, **September 21–25, 2020**. KI2020 is the 43rd edition of the German conference on Artificial Intelligence (abbreviated KI for »Künstliche Intelligenz«) organized by the **University of Bamberg** in cooperation with the »**Fachbereich Künstliche Intelligenz der Gesellschaft für Informatik (GI-SIG AI)**«. KI is one of the major European AI conferences and traditionally brings together academic and industrial researchers from all areas of AI, providing an ideal place for exchanging news and research results on theory and applications. The technical program of KI2020 comprises paper presentations, tutorials and workshops as well as exhibitions and demos.
