

## Agenda

# Workshop: Design cryogenic ASICs in IHP's SG13G2 technology

Wednesday, April 26, 2023

- |               |   |
|---------------|---|
| 09:30 - 09:45 | Introduction to IHP cryo PDK projects and MPW service               |
| 09:45 - 10:30 | Overview on cryo modeling and cryo PDK                              |
| 10:30 - 10:45 | <i>Coffee break</i>   |
| 10:45 - 11:30 | Onsite demonstration of interoperability flow in Cadence and ADS    |
| 11:30 - 12:30 | Status of digital design flow under cryo conditions and onsite demo |
| 12:30 - 13:15 | <i>Lunch</i>  |
| 13:15 - 14:15 | Discussion on future roadmap and features                           |
