

CAN I COMBINE SCIENCE AND BUSINESS IN A SINGLE JOB?

YES.

We'll show you how at Fraunhofer IIS.

For the **AudioLabs** division in **Erlangen**, the Fraunhofer Institute for Integrated Circuits IIS is currently seeking a

Product tester (m/f) for evaluating a speech assistant prototype

We are a team at Fraunhofer IIS that builds speech assistants and we are evaluating speech assistant prototypes. We will conduct an experiment in November for which we are looking for product testers.

Your profile: You ...

- speak English fluently (B2)
- are **no** regular user of speech assistants
- are older than 35 years
- are **neither** an engineer **nor** a programmer

Conditions

- The experiment is going to be in November and going to take approximately 1 hour
- Compensation is 12 € per hour
- You agree to recordings of the test session
- You agree to being interviewed about your user experience during the test session

Interested?

Please contact our team either per email (kazakeaa@iis.fraunhofer.de) or telephone (+49 152 275 496 00). Please provide information about your age, education, English level and your mail address and/or your phone number.
