

Fraunhofer

IIS

FRAUNHOFER INSTITUTE FOR
INTEGRATED CIRCUITS IIS

DIGITAL PATHOLOGY AND COMPUTER ASSISTED MICROSCOPY

TECHNOLOGY & SERVICES

OUR PORTFOLIO

- Digital Pathology and Virtual Microscopy Solutions
- Image Analysis of Micrographs (tissue, cells)
- Automated Microscopy Systems
- Brightfield and Fluorescence Microscopy
- Qualification and Training Software
- Proficiency Testing and Quality Control

OUR SERVICES

- Contract Research and Development
- Technology Licensing
- Slide Scanning and Analysis Services

OUR PRODUCTS

- **SCube®: Modular Microscopy Platform for Digital Pathology**
- **Virtual Microscopy: Digital Slide Viewer and web-based Platform for Teaching and Quality Control**

Fraunhofer Institute for Integrated Circuits IIS

Management of the institute
Prof. Dr.-Ing. Albert Heuberger
(executive)
Dr.-Ing. Bernhard Grill

Am Wolfsmantel 33
91058 Erlangen, Germany

Image Processing and Medical Engineering
